

Albany Location - Pastry/Front Counter Position

Our Albany location is our original manufacturing space and has a vibrant retail shop on site with full viewing windows into production. Retail staff members are the face of the company and are responsible for upholding our high standards of hospitality by providing the true Handpie Co. experience of warmth and welcome, sharing information about handpie varieties/our process/ingredients and allergens. We often provide extensive tourist information in peak season and pride ourselves on being the sunshine in our guest's day!

For this position we are searching for that unique candidate who will assist our General Manager in running the Albany shop and production space year-round. A background that includes **enthusiastic customer service** as well as **culinary and/or baking skills** is what we're searching for, as duties for this new position swing between all stations at our Albany facility.

ALSO: If you have social media skills and boundless handpie enthusiasm, this is a huge bonus as we're looking for some help with our daily posts and content across our platforms too, and find the most success when these posts are done naturally from someone who is on site regularly.

If this opportunity sounds amazing to you, please send us your resume as you may just be the ingredient that we're looking for! Ideally, you have at least two years of kitchen/pastry experience or schooling, and live within 30 minutes of Albany. Winter driving is a reality with our rural location in this year-round position.

If you happen to have the back of house experience and have been wanting to launch into a customer-facing role, this might also be just the opportunity you've been waiting for and we'd love to hear from you!

Starting wage for this new position is **\$17/hour plus generous tip sharing**, along with free staff handpies and health benefit cost sharing after 3 months of employment.

The Handpie Company is fully committed to creating an inclusive environment and building a team that represents a variety of backgrounds, perspectives, and skills. All qualified applicants will receive consideration for employment without regard to age, race, religion, ethnicity, gender, disability, citizenship status, marital status, actual or perceived sexual orientation. We thank all applicants for their interest but wish to advise that only those selected for an interview will be contacted.
