NEW Employment Opportunities:

Cavendish - Mariners Cove Location

Start date: May 16th 2025 through mid-September 2025, options for mid June-August
We couldn't be more excited to announce that we're opening a new retail location for The Handpie Company, where the summer magic happens, up in Cavendish, Prince Edward Island! Bringing the handpie awesomeness to Mariners Cove means that we're looking for some new team members that can help us bring our signature hospitality along with our dedication to food service excellence to this shiny new shop.

Positions available include:

Assistant manager: You'll be training alongside our retail operations manager Miranda, who's a trained pastry chef and general manager of our busy Albany location year-round.

During the summer months, you'll be working with our Cavendish location manager Brodie to ensure that every hot handpie is baked perfectly, every guest blown away by our true Island hospitality, and ensure that every surface stays sparkling. You'll have a mixture of opening and closing shifts, with expected hours ranging from 7am-8:15pm Monday-Sunday with a total of 40 hours per week.

Some foodservice/culinary experience is a strong asset, and direct customer service experience is also an asset. This position will be a blend between front and back of house in this small retail space with a very open kitchen.

Wage starts at \$19/hour plus tips

New shop location is in the Mariners Cove area of Cavendish and staff will need reliable transportation.

Store staff: Every position in this new shop will involve the baking handpies and helping customers at the front counter. Foodservice and customer service experience are both assets, but personality and drive will get you behind our counter! We are a strong team that will train the right people so that we can offer exceptional service and product every time.

Attention to detail, hustle under pressure, and strong team minded work ethic required.

All staff must be able to lift up to 50lbs, be on their feet for the entire shift, and be able to handle working with frozen foods (aka. several trips into the walk-in freezer daily).

Wage starts at \$16.50/hour plus tips

Full and part time employment available, must be available weekends, weekdays, and for shifts ranging between 7am-8pm.
